

Pledge-A-Picket Program 2010

We're stuck with a bunch of lemons...
You can help us turn them into "lemon-aid!"

Yes! I want to help Mabel Wadsworth Women's Health Center serve all women. I want a positive way to support women's rights and channel my frustration with the anti-choice picketers. Every donation - however big or small- makes a difference in the lives of the women we serve. A small monthly contribution makes a significant difference to Mabel Wadsworth Center on an annual basis. You can adjust or cancel the monthly donation at any time by contacting the Development Office at **fund@mabelwadsworth.org** or **(207) 947-5337, extension 104**.
