

Primary Care Provider

Who we are: Mabel Wadsworth Center is the only not-for-profit, private, independent, community-based feminist health center in Maine. Our mission is to provide health care using a feminist model focused on sexual and reproductive health through education, advocacy, and clinical services. We believe in health care that is based on empowerment and putting individuals in charge of their healthcare.

What we're looking for: Mabel Wadsworth Center seeks a primary care provider. This position works with our team of health care providers and front desk staff to provide high quality, patient centered care, while maintaining patient safety and comfort in the healthcare environment. The ideal candidate enjoys working with people from a variety of backgrounds and providing education and non-judgmental support.

Primary roles and responsibilities include, but are not limited to: collecting interval and comprehensive histories, performing physical exams and selected procedures, making assessments and creating plans, ordering and interpreting diagnostic studies in a primary care focused practice. The nurse practitioner provides health counseling and education and promotes a philosophy of care that supports patient autonomy and choice. The nurse practitioner is expected to behave as a leader during clinical situations, act as a professional role model, and occasionally act as preceptor for healthcare students.

The ideal candidate will support reproductive justice for all, with particular support for the LGBTQ+ population. Experience in a healthcare setting, attention to detail, verbal and interpersonal communication skills, and organizational skills are essential. Ability to multitask and work in a fast-paced environment is essential, along with knowledge of electronic health records (EHR). Minimum of two years' experience as a primary care provider preferred, but willing to train the ideal candidate. Current licensure is required. DEA certification required prior to hire or upon hiring.. CPR certification is required. We strive to create an environment of growth and learning; the ideal candidate will be comfortable with regular constructive feedback from supervisor and coworkers. Flexibility and a willingness to pitch in as needed are highly valued.

Work Structure and Environment: This is a salaried position, 32 to 40 hours per week, based in our Bangor office. The hours are typically 8:00 AM to 5:00 PM, Monday through Friday. There may be an expectation for some evening and/or weekend hours. Employee's full-time schedule to be approved by supervisor at time of hire.

This position offers a dynamic, team-based opportunity for folks who have a passion for the center's values and supporting our patients. We take pride in our reputation for excellent patient care and are passionate about creating a safe and inclusive space. We work hard, believe in our mission, and strive to have fun every day, and hope to find a coworker who feels the same way.

This position requires English language fluency (written and oral), but fluency in other languages are welcomed. Position additionally requires significant periods of standing, walking, sitting, and lifting >10 lbs regularly. Frequent use of regular office equipment, including computers, phones, fax machine, printers required. Contact with body fluids occurs, and employees are expected to follow universal precautions and blood borne pathogen protocols. Employees are expected to follow COVID-19 protocols.

We offer: Starting salary is \$95,000 (based on 40 hour work week, for advanced practice clinicians) and negotiable based on experience and qualifications. Benefits include 15 paid holidays, two weeks' paid vacation during the first year (increased thereafter), and one week paid sick leave. Relocation assistance available. Health insurance (100% covered by employer) and optional employee-funded dental, disability, and life insurance policies. Flexible, supportive workplace with strong commitment to training and professional development.

Our process and timeline:

- Rolling deadline for applications, position will remain open until position is filled
- First round interviews will be held by televideo conference (approximately 45 minutes to 1 hour in length)
- Second round interviews will be in person in our Bangor office, approximately 1 hour in length

Equal Opportunity Employer: Mabel Wadsworth Center strives to create a safe, open, welcoming environment for our patients and our staff. We actively attempt to dismantle the systemic inequalities that the most oppressed groups face in our society. These groups include Black people, indigenous people, people of color, low-income people, women, LGBTQ+ people, gender non-conforming people, non-binary individuals, people with disabilities, formerly imprisoned people, and people living at the intersections of these identities. We are committed to an equitable workplace where everyone is treated with respect and as a valued member of our team. We actively encourage members of these communities to apply.
